I'll Be True

The Shouting Matches

I'll be calling out your name
I'll be calling out your name
I'll be true, I'll be true
I will do it all for you
I'll be calling out your name
The one I always use
I'll be holding both your hands
I'll be holding both your hands
Don't be blue, don't be blue
I told you what I would do
I'd take both of your young hands
And keep you always new
Honey, we could take a while
Honey, there'll be days like this
Honey, you may wait a while
Later on when you're searching for the dawn
I'll tell you, the sun will surely come up
If you play revelry
You may take another man
You may take another man
But I'll be true, I'll be true
Never trough or over you
'Til they're sending you to heaven
I will wait for you
