## Cressida

Lunatic Larry beating his head on the wall  
Soon it will fall, counting his bounds on "Take Your Pick"  
With that grid  
Television's the wall on the left  
It's pitiful  
And there's a beautiful beach on the sea  
It's dream that fall  
And there's a bottomless tumbling pit  
It's pitiful  
Lunatic Larry is one who isn't sure who to be - he doesn't know  
Lunatic Larry beating his head on the wall  
Soon it will fall, counting his bounds on "Take Your Pick"  
With that grid
