

Blues for You

Blue Bird Quartet

Well I miss you baby
I gotta get back home to you
Well I miss you baby
I gotta get back home to you
Ive seen a million women
Only one of them will do Well Im east of somewhere
You know what I mean
Well Im west of nowhere
And all points in between Up or down
North or south
Right or wrong
Im inside out
Gotta get back I know youre cryin
Cryin for your man
Baby, Im tryin
Tryin hard to understand Another turn, the rubber burns
No one else is my concern
I gotta get back Well I miss you baby
I gotta get back home to you
Well I miss you baby
I gotta get back home to you
Ive seen a million women
Only one of them will do
