

Sex and the Church

David Bowie

Though the idea of confession, it is said to be
The union of and his bride, the Christian
It's all very puzzlingSex and the church, sex and the church
Sex and the church and the church and the churchAll the great mystic religions put strong emphasis
On the redeeming spiritual qualities of sex, of sex
Christianity has been pretty modern about sexOf sex, of sex, of sex, of sex
Sex and the church, sex and the church
Sex and the church, sex, sexI think there is a union between the flesh and the spirit
Sex and the church, sex and the church
All religions' motherGive me the freedom of spirit and the joys
Of the flesh and sex, sex, sex and the church
Give me the freedom of spirit and the joys
Of the flesh and sex, sex, sex and the churchSex and the church, sex and the church
Sex and the church and the church and the church
Sex, sex, sex and the church, sex and the church
Sex and the church, sex, sex, sexSex and the church, sex and the church
Sex and the church and the church and the church
Sex, sex, sex and the church, sex and the church
Sex and the church, sex, sexSex, sex and the church, sex and the church
Sex and the church, sex, sex
