Ultra Mega

Powerman 5000

Ultra mega super sonic
Ultra mega for your head
Ultra mega catatonic
Ultra mega until you're deadYou wanna get in my world, my world
You wanna get in my world, oh yeah
You wanna see the same thing, same thing
The true blood flatten mega star is changingRight now there must be a difference
Between you and me
Is I'm the ultra mega
And you just like to playUltra mega super sonic
Ultra mega for your head
Ultra mega catatonic
Ultra mega until you're deadOne foot back on the earth this time
I can't stand to feel this way
Almost even, almost perfect
Almost never, almost worth itNow there must be a difference
Between us and the ground
It's the ultra mega
Was the only sound, goUltra mega super sonic
Ultra mega for your head
Ultra mega catatonic
Ultra mega until you're deadLet's go, let's go
Can you converse with the universe
And let them know that they were wrong?You wanna get in my world, my world
You wanna get in my world, oh yeah
You wanna see the same thing, same thing
The true blood flatten mega star is changingUltra mega super sonic
Ultra mega for your head
Ultra mega catatonic
Ultra mega until you're deadUltra mega super sonic
Ultra mega for your head
Ultra mega catatonic
Ultra mega until you're dead
