

Goin' Huntin'

Arrogant Worms

Well me n' my buddies we got us some beer
And a great big bottle of rye
And boxes of ammo and guns to go with 'em
And good old Charlie's glass eye
Well we looked all around so we sees all of nature
So calm and so serene
But not for long 'cause we're gonna use our guns
To make furry animals scream
'Cause we're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
We're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
Well off we go, our guns are loaded
And so's are we
We weaves through the bushes and falls on our faces
And piss on the nice trees
And then we spot something moving in on us
We pump it full of lead
And smile real wide as we hear it scream
And thud as it falls down dead
'Cause we're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
We're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
Well off we go to see what we killed
And watch the damn thing bleed
The first thing we see is a bright orange cap

And we shot down Ol' Charlie
But he don't too mind, he smiled all the time
He died real happy
But next time he should tell us
When he's goin' off to take a pee
'Cause we're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
We're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
Well the sun it goes down and we head back to town
And we hop in our pickup truck
Strap Charlie to the hood, n' start up the engine
Try n' get home with any luck
Well what do you know, we run 'to a pole
But we're all still in one piece
And we get a free ride back into town
Courtesy of the police.
'Cause we're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
We're goin' huntin'
We're gonna kill somethin'
I don't care what it is
Maybe a raccoon, maybe a gopher,
maybe the neighbour's kids!
