

Oh, I Just Don't Know

Sunflower Bean

I just don't know (No, I just don't know)

I just don't know (No, I just don't know)

My place (Know my place)

In this world I just don't know (No, I just don't know)

I just don't know (No, I just don't know)

My place (Know my place)

In this world Jesus has (Jesus has)

A place for me

Jesus has (Jesus has)

A place for me
