

# Mirror (Me)

**Emil Bulls**

I don` t like it here  
I feel so alone  
I` m a stranger to myself  
I` m afraid of being at home  
It` s always you  
Oh every day it` s all the same  
I wonder why  
I` m satisfied  
I float around  
Don` t know where I belong  
I stay because of you  
Waiting in oblivion  
I wish we were siamese  
I can` t let go
