

# Georgia

Tyler Carter

Baby love, don't leave  
Walked in the door, but he's all coked out  
Lights down low and the music's loud  
The radio's on, he's tweaking out  
Cause he doubled the dose two months ago,  
But she just found out  
Even when Iâ€™m dreaming I can hear her screaming  
She said that she's leaving, baby love don't leave  
But I know she'll leave  
In the middle of the night, she'll leave  
By the morning light, she'll leave

âœ“In the morning I stole the love from ya,â€• she said  
In the morning Iâ€™ll be on my way to Georgia  
Oh like a thief in the night, you've taken what's mine  
Now it's cold by my side, it's cold by my side because  
In the morning you'll be on your way to Georgia  
Stole the love right from ya

Everything we had is faded, love  
The memories ain't good enough  
To take my mind off what we lost,  
So I'm stuck here sipping these codeine cups

I feel like Iâ€™m dreaming,  
But I still can't find the meaning  
Itâ€™s like Iâ€™m barely breathing  
And Iâ€™m begging you to stay

Youâ€™ve taken the love  
Youâ€™ve taken the love that I crave  
Youâ€™ve taken the love  
Youâ€™ve taken the love that I crave from me
