

Standin' in the Rain

Electric Light Orchestra

(Concerto for a rainy day...)
(Rain...)I'm standing in the rain
I'm waiting all alone
I'm so tired
I want to go home.I'm standing in the rain
Getting soaking wet
I'm doing my best
But what do I get?I'm standing in the rain
Can't seem to get along
People rushing by
Wish they could hear my song.I'm standing in the rain
It's teeming down on me
Cats & dogs
I want to be free.I'm standing in the rain
Doing my thing
I'm trying my best
What does it bring?
I'm standing in the rain
Getting soaking wet
I'm doing my best
But what does it get?The good intentions and the pain
Lay drowned now in the pouring rain
I tried to be so good this time
But here I am under the sky.The good intentions and the pain
Lay drowned now in the pouring rain.
