I Need You Now

Smokie Norful

Not a second or another minute
Not an hour or another day
But at this moment with my arms outstretched
I need You to make a way
As You have done so many times before
Through a window or an open door
I stretch my hands to You
Come rescue me, I need You right away
I need You now
I need You now
I need You now
I need You now
Not another second or another minute
Not an hour or another day
But Lord I need You right away
If I never needed You before
To show up and restore
All of the faith that I let slip

While I was yet searching the world for more
The true best friend I have indeed
You?re my best friend I know indeed
I stretch my hands to thee
Come rescue me, I need You right away
The agony of being alone, fear of doing things on my own
The test and trials that come to make me strong
The feelings of guilt, hurt, shame, and defeat
The way the trials that beat upon me
But to know Lord that in You I?ve got victory
I need You now, Lord, I need You now
I need You right now, right now, right now
I need You now
Oh not another second
Not another minute, Lord
Can?t wait another day
Oh Lord, please make a way, oh Lord, oh Lord, hmm, yeah
