# I Am A Poseur

## X-Ray Spex

I am a poseur and I don't care
I like to make people stare
I am a poseur and I don't care
I like to make people stareExhibition is the name
Voyeurism is the game
Stereoscopic is the show
Viewing time makes it grow (grow x4)I am a poseur and I don't care
I like to make people stare
I am a poseur and I don't care
I like to make people stareMy facade is just a fake
Shock horror no escape
Sensationalism for the feed
Characatures are what you breed (breed x4)I am a poseur and I don't care
I like to make people stare
I am a poseur and I don't care
I like to make people stareI am a poseur and I don't care
I like to make people stare
I am a poseur and I don't care
I like to make people stareOvertones can be betraying
Establishments like a laugh
Anti-art was the start
Yes we're very entertaining ('taining x4)I am a poseur and I don't care
I like to make people stare
I am a poseur and I don't care
I like to make people stareI am a poseur and I don't care
I like to make people stare
I am a poseur and I don't care
I like to make people stare
