

# Smoke A Blunt

## Afroman

smoke a blunt  
i love to smoke a blunt man  
hey man you know, my white homies ask me  
do you like uh, bongos or blunts?  
i tell 'em blunts, cause i get pulled over all the time  
i can't be throwin' bongos out the window, you know what i mean  
smoke a blunt  
nice and slow  
hold the smoke  
then let it go  
smoke a blunt  
nice and slow  
hold the smoke  
then let it go  
i love smoking weed all by myself  
dont have to pass it to no one else  
i hit my blunt  
anytime i want  
got so much weed i dont have to hunt  
i dont get hyper  
i dont get crunk  
i do get high  
i do get drunk  
once im high and im high no doubt  
i grab my ashtray and put my cigar out  
once my high is gone with the wind  
i grab my lighter then i flick then i again  
briefly take a chronic break  
weed headache  
big mistake  
im high so i put my blunt down  
turn up my music and dance all around  
i can't hear the phone  
i can't hear the door  
i never leave home 'less  
its time to school  
smoke a blunt  
nice and slow  
hold the smoke

now let it go  
smoke a blunt  
nice and slow  
hold the smoke  
now let it go  
i remember when i started smokin weed  
pickin' out the stems and the seeds  
i didn't have enough to buy me a beer  
my homeboy told me to hit this here(?)  
i grabbed the blunt  
i took a hit  
i thought to myself

"i like this shit"  
it's better than beer  
so annalyze this  
i don't have to go take a piss  
i don't know how to roll  
but the people i roll with  
know how to roll blunts like a pole  
smoke a blunt  
nice and slow  
hold the smoke  
now let it go  
hahah  
smoke a blunt  
nice and slow  
hold the smoke  
now let it go  
smoke a blunt  
nice and slow  
hahahah  
hold a smoke, uh  
now let it goo  
hahahah uhh haha uhh

drivin' cross country though minnesota  
state fuckin' trooper straight pulled me over  
he said i was drivin' fast as hell  
he took a deep breath and asked "what's that smell?"  
i knew i was busted, at this point  
so i handed him a beautiful, perfectly rolled joint  
he looked at it once,  
he looked at it twice,  
he told me, "you roll your joints real nice"

afroman don't give a fuck  
light that blunt and get stupid stuff  
smokin' to me is so much fun  
people bitch cause i don't get nothin' done  
if you are a little kid  
please don't do the things i did  
anti-drug message? let me see..  
don't smoke weed  
give it to me!  
smoke a blunt  
nice and slow  
hold the smoke  
now let it go  
smoke a blunt  
nice and slow  
hold the smoke  
now let it go  
smoke a blunt  
nice and slow  
hold the smoke  
now let it go
