

Sent From Up Above

[Mariah Carey](#)

I can't imagine looking in someone else's eyes
What we have surpasses even paradise
It's hard to fathom reaching for someone else's hand
What we share is magic, Heaven had a plan
Sent from up above, so much love in my life
I can't get enough of your touch, feels so right
Unending passion, somehow the fire never dies
What we share is everlasting love without demise, oh yes
He made it happen, placed so much joy into our hands
What we dreamed of finally captured, Heaven took command
Sent from up above, so much love in my life
I can't get enough of your touch, feels so right
Sent from up above, so much love in my life
I can't get enough of your touch, feels so right
I don't want to live my life without your love
Must have been sent from up above
I don't want to live my life without your love
Must have been sent from up above
Sent from up above, so much love in my life
I can't get enough of your touch, feels so right
