

# Rock 'n' Roll Party in the Streets (Re-Recorded)

## Axe

I know, you know this ain't gonna last forever  
Let's take advantage while we still can  
I'm sure that you'll find the days couldn't get any longer  
Day after day it's gettin' old fast  
Let's have a knock down, drag out rock 'n' roll party in the streets  
Get all the boys together have them tell everybody that they meet  
Friday night at midnight we're all gonna get what we need  
Let's have a knock down, drag out rock 'n' roll party in the streets  
You know, I know we ain't gonna show no  
mercy  
To anyone that tries to get in our way  
I'm sure that you'll find we got to put the word out for certain  
Once the party gets started we're all here to stay  
Let's have a knock down, drag out rock 'n' roll party in the  
streets  
Get all the boys together have them tell everybody that they meet  
Friday night at midnight we're all gonna get what we need  
Let's have a knock down, drag out rock 'n' roll party in the streets  
Let's have a knock down, drag out rock 'n'  
roll party in the streets  
Get all the boys together have them tell everybody that they meet  
Friday night at midnight we're all gonna get what we need  
Let's have a knock down, drag out rock 'n' roll party in the streets  
Let's have a knock down, drag out rock 'n'  
roll party in the streets  
Get all the boys together have them tell everybody that they meet  
Friday night at midnight we're all gonna get what we need  
Let's have a knock down, drag out rock 'n' roll party in the streets
