

You Can Do Anything

Aubrey Ashburn

Wake up from this dream. Color me red and paint a picture.

I can stand on my head, give birth to laughter.

I can do anything.

(Anything) In a warehouse the pain is lying.

But in my head the peace is frightening

I can do anything. You lie awake and you dream.

You go to sleep and you dream.

You can do anything.

Anything. I can have it all or nothing, if I want it,

But anything in between.

But I will never ever wake up from this dream.

Watch out, behind the picture show

You cough up a dime. Crazies will follow.

You're supposed to say 'yes', but you want to say 'no'.

When an uncarved flock looks nothing like a sparrow.

You can do anything. You lie awake and you dream. (Don't have to wake yet)

You go to sleep and you dream.

You can do anything.

Anything.

(All you have to do is dream) You lie awake and you dream.

You go to sleep and you dream.

You can do anything.

Anything.

(All you have to do is dream)

Dream run away

But never disappear.

Can I design my love?

My fear? You lie awake and you dream. (Know nothing)

You go to sleep and you dream.

You can do anything.

Anything.

(All you have to do is dream) You lie awake and you dream. (I can do anything, I can do it)

You go to sleep and you dream. (Anything in between)

You can do anything. (I can do it, I can do it)

Anything.

(All you have to do is dream) You lie awake and you dream. (Don't have to wake yet)

You go to sleep and you dream. (Wake up from this dream)

You can do anything.

(All you have to do is dream) You go to sleep and you dream.
