

# Young

## Frankie Cosmos

With this I'm scraping by  
At least it's cute that I tried  
I wrote some songs that I sung  
And have you heard I am so young  
So young I heard about being young  
But I'm not sure how it's done  
Thought I heard a mumble  
Something about fun  
Fun  
Fun  
Easy for you to say I say  
I say this to you  
Every day  
Easy for you to say  
The sky is a special warring streak  
Between balloons to moons a leak  
Of light in a blue town like this  
The clouds are you a sky or kiss  
That never shows or comes alive  
Oasis in the parking lot  
I just wanna be alive that's it  
Alive  
Alive
