

A Little Help from My Friends / I Don't Come Easy

Ringo Starr

Ringo Starr!!!(Try with a little help from my friends)

(Try with a little help from my friends)

(Try with a little help from my friends)

Oh, I get by with a little help from my friends, with a little help from my friends(It don't come easy, you know
it don't come easy)

(It don't come easy, you know it don't come easy)Got to pay your dues if you wanna sing the blues

And you know it don't come easy

You don't have to shout or leap about

You can even play them easy

Open up your heart, let's come togetherI don't ask for much, I only want your trust

You know it don't come easy

This love of mine keeps growing all the time

And you know it don't come easyPeace, remember peace is how we make it

Here within your reach if you're big enough to take itGot to pay your dues if you wanna sing the blues

You know it don't come easy

This love of mine keeps growing all the time

And you know it don't come easyRemember

Peace, remember peace is how we make it

Here within your reach if you're big enough to take it

I don't ask for much, I only want your trust

And you know it don't come easy

And this love of mine keeps growing all the time

And you know it don't come easy
