Don't Go Easy

Jill Barber

You're a hard act to follow, heaven knows
And I wouldn't have it any other way
And with the weight of the moment upon your back
And me hangin' on to every word you sayThis lonely heart was callin'
And strung out on the line
So you took yours and put it next to mine
And in the heat of the moment
I just froze
Ever since you swept me off my feet you've kept me on my toes'Cause before too long
This path I tread
Will be too overgrown for followin'And will the road ahead
Be much further on
From the one I've been long travellin'But you just keep it steady
And call it like you see
But baby don't go easy on me
'Cause what we have comin'
Only heaven knows
Ever since you swept me off my feet you've kept me on my toesBut you just keep it steady
And call it like you see
But baby don't go easy on me
'Cause what we have comin'
Only heaven knows
Ever since you swept me off my feet you've kept me on my toes
Ever since you swept me off my feet you've kept me on my toes
