Not Around

Noel Gourdin

[Intro]
Girl I know we've been having rough times lately, and uh, I know you've been thinking about leaving me too.
But I hope you don't baby.. I hope you don't.

[Verse 1]
Girl I'm not gonna send no more emails.
And I'm not gonna send text messages.
Girl I'm gonna sit down with a ball point pen, and I'm gonna write a letter to you, to say just how I feel.

[Chorus]
Like a fish out of water, girl I.. girl I can't breathe.
Like in a phone booth without a quarter, girl I...

Girl I'm lost like a ship, without a sail.
And that's how I feel whenever you're not around.
Baby please don't go.

My love is deeper than the ocean and wider than the sky but I'm nothin, without you here.
I'm on my knees baby beggin and prayin girl I'm hoping..
Girl I'm hoping that you stay here, yeah.
Baby please don't leave,
Cause I'm not the same whenever you're not around.

[Verse 2]
I know what it means when they say two shall become one, cause since you've been gone, girl I've been so undone.
Girl I miss all those simple things, kissing and cuddling, listening to rain... as it falls on our window pane.
Girl I wanna cry cause without you I..

[Chorus]
Like a fish out of water, girl I..
Girl I can't breathe.
Like in a phone booth without a quarter, girl I..
Girl I'm lost like a ship without a sail.
That's how I feel whenever you're not around, my love.

My love is deeper than the ocean and wider than the sky but I'm nothing.. without you here.
I'm on my knees baby beggin and prayin girl I'm hopin..
Girl I'm hoping that you'll stay here.
Baby please don't leave,

Cause I'm not the same whenever you're not around.

[Verse 3]
I don't know what to do with my time, when you're not standing here by my side.
I don't know where to go, time goes so slow when you're not around.
Girl I don't know how to dress without you,
There's no one to impress except you.
You see this much I know, it's written in stone, so baby girl don't go.
Don't go don't go.

[Chorus]
My love is deeper than the ocean and wider than the sky but I'm nothin, without you here.
I'm on my knees baby beggin and prayin girl I'm hopin..
Girl I'm hoping you'll stay here.
Baby please don't leave.
Cause I'm not the same whenever you're not around.
[x2]
