

Don't Mind Waiting

[William McDowell](#)

I don't mind waiting
I don't mind waiting on you Lord I need you
Yes I need you
Jesus Jesus I don't mind waiting
I don't mind waiting on you Lord I need you
Yes I need you
Jesus Jesus I am desperate
I am desperate for you The closer He comes
The louder I get I am desperate
I am desperate for you The closer He comes
The louder I get I am desperate
I am desperate for you
