

# Alter Ego

## Tame Impala

Said the voice from afar:  
Don't you know it doesn't  
have to be so hard? Waiting for  
everyone else around to agree,  
might take too long  
When it won't be so hard,  
(it won't be so hard)  
Well it's true, yes, but you  
won't get far telling me  
that you are all you're meant  
to be, when the one from my  
dream is sitting right next  
to me and I don't know  
what to do  
Oh alter ego.  
Get them to love you,  
while they may depending  
on your words and wealth,  
the only one who's really  
judging you is yourself.  
Nobody else.  
If I could part,  
it wouldn't be so hard.  
Well it's true yes, but you  
won't get far telling me that  
you are all you're meant to  
be when the one from my  
dream is sitting right next  
to me and I don't know  
what to do.  
Oh alter ego.
