More Love

Smokey Robinson & The Miracles

Let it be soon, don't hesitate
Make it now, don't wait
Open your heart & let my love come in
I want the moment to start when I can fill your heart with...(Chorus:)
More love, more joy
Than age or time could ever destroy
My love will be so sound
It would take about 100 lifetimes
To live it down, wear it down, tear it downThis is no fiction, this is no act
This is real, it's a fact
I'll always belong only to you
Each day I'll be living to make sure I'm giving you...(Chorus)As we grow older no need to fear
When you need me I'll be here
I'll be beside you every step of the way
A heart that's truthful & keeping you youthful with...(Chorus)
