

Time to Die

Electric Wizard

This barren earth defiled by man
Raped & tortured, yeah whatever man
 Hatred, greed & misery
 Is this to be, our foul destiny?
I wanna scream but I'm sick, this world inherited by the weak
But I don't care what you say all the flowers turned to black and died anyway...
 It's Time To Die
 Wake up baby it's time to die
 Wake up children it's time to die, no more time to cry
 This world is dead, seek your own way
I've a gun named Oblivion that'll take all the pain away
 All our pain away...YeahIt's Time To Die
We're all shadows in the darknessWake up baby it's time to die, I said
 Wake the children it's Time To Die
 It's time to die...DIE!!Maybe I'm already dead.....
 We're all shadows in the darkness
