

# I Don't Owe You Nothing

Hidell

Well I've got lot's of friend that come around  
But nothing beats the kicks that I have found

Well I've got lot's of friend that come around  
Well I've got lot's of friend that come around ( Ya Ya )

Well I've got lot's of friends to steal my pride  
Tell me what would happen if I die  
Tell me what would happen if I die

Well I've got lot's of friends that come around  
Ya I've got lot's of friends who bring me down  
I'm comin' down ( comin' down )  
Bring me down whe your around

I've got lot's of friends who stroke my head  
You could rub it, suck it, love it, it's my head

Well I've got lot's of friends that come around  
Ya I've got lot's of friends who bring me down  
I'm comin' down ( comin' down )  
Bring me down whe your around

Well I don't owe you nothing  
I don't owe you nothing  
I don't owe you nothing  
I don't owe you nothing

You bring me down  
When your around  
Don't come around (ya)
