

Bought And Sold

Neko Case

Lost love
You're the one that lies in my arms
You're the one that stole all my charms
I let you in Misery
You took everything young from me
Burned it down right in front of me
My blood runs cold Nobody said that love was gonna be kind
But they did say that it was pleasurable as it was divine Lost love
You're the one that lies in my arms
You're the one that stole all my charms
I'm bought and sold Nobody said that love was gonna be kind
But they did say it was pleasurable as it was divine Wish I could leave it behind
Lost love
