You Look Like Rain

Morphine

You mind and your experience call to me You have lived and your intelligence is sexyI want to know what you got to say

I want to know what you got to say

I want to know what you got to say

I can tell you taste like the sky 'cause you look like rainYou look like rain

You look like rain

You look like rain

You look like rainYou look like rain

You look like rain

You look like rain

You look like rainYou think like a whip on a horse's back

Stretched out to the limit you make it crack

Send that horse round and round the trackI want to know what you got to say

I want to know what you got to say

I want to know what you got to say

I can tell you taste like the sky 'cause you look like rainYou look like rain

You look like rain

You look like rain

You look like rain You look like rain

You look like rain

You look like rain

You look like rain You look like rain

You look like rain

You look like rain

You look like rain You look like rain

You look like rain

You look like rain

You look like rainYeah you look like rain

You look like rain
