

# Fly

## A.L.O

Mom and Dad we're right  
Greed will never get anything  
When you see the light you'll feel  
Like you want to fly  
There's birds in the sky  
And the trees will sing  
And the world looks mighty good to me

The world is out of sight  
And now you can't touch anything  
But when you see the light you'll feel  
Like you're out of time  
So just leave it all behind  
And go quietly  
I guess I'll never know what's in store for me

I feel that I'm not the same  
I bought some beads  
And I changed my name to Yahweh  
I wear the robes of a Taoist sage  
I am the helper of the ogre mage

Why do people fight?  
Why does life mean anything?  
When you know that you are doomed to die  
But maybe that's all right, maybe that's why  
I cry tears of joy  
When I think about the way the world  
Will fade from sight

I feel that I'm not the same  
My body's gone  
And I changed my name to Karma  
I'm comin' down like Georgia rain  
I got to go to my dyin' day in nirvana  
I wanna tell 'em what I can't explain  
Wanna tell 'em not to be afraid  
Wanna tell 'em in the end that there is no pain  
'Cause when you see the light  
You're gonna fly like a lion, up into the sky

While the world around you dies
