CrushCrushCrush

Dubstep

I got a lot to say to you
Yeah I got a lot to say
I noticed your eyes are always glued to me
Keeping them here and it makes no sense at all

They taped over your mouth
Scribbled out the truth with their lies
Your little spies
They taped over your mouth
Scribbled out the truth with their lies
Your little spies

Crush, crush, crush
Crush, crush (one, two, three, four)

Nothing compares to a quiet evening alone
Just the one two of us is counting on
That never happens, I guess I'm dreaming again
Let's be more than this

If you wanna play it like a game
Come on, come on let's play
Cause I'd rather waste my life pretending
Than have to forget you for one whole minute

They taped over your mouth
Scribbled out the truth with their lies
Your little spies
They taped over your mouth
Scribbled out the truth with their lies
Your little spies

Crush, crush, crush
Crush, crush (one, two, three, four)

Nothing compares to a quiet evening alone
Just the one two of us is counting on
That never happens, I guess I'm dreaming again
Let's be more than this now

Rock and roll baby, don't you know that
We're all alone now, I need something to sing about
Rock and roll honey, (Hey) don't you know baby
We're all alone now, I need something to sing about
Rock and roll honey, (Hey) don't you know baby
We're all alone now, give me something to sing about

Nothing compares to a quiet evening alone
Just the one two of us is counting on
That never happens, I guess I'm dreaming again
Let's be more than, no

Nothing compares to a quiet evening alone
Just the one two of us is counting on
That never happens, I guess I'm dreaming again
Let's be more than, more than this

Oh, mmm
