

# Moochie

## Boldy James

[Verse 1: Boldy James]I nicknamed everythang; Nicknamed Moochie

My dank Mary Jane and my Big Chain Julie

A deuce is a split. A baby is a Stewie

A kilo is a Brick. A quarter is a Cutie

If you telling, you a Snitch. County is ?

A Sentence is a Bid, and Prison is the Hoopski

A Shooter is a Goonie, Flick is a whole clip

On some Motion Picture shit, take you to see a Movie

A Square is a Loosey, a Pistol is a Throwaway

On a good day, ay, you can call me Juicy J

You a fake nigga, U.S.P.A. Polo with two men on a horse

That mean you niggas gay

I call my wife Sunshine cuz when I'm feeling gray

Like my son eyes, She always brighten up my day

I'm from the ? I call it The Dead Giveaway

Gotta be alert at all times, Triple A[Hook: Boldy James]

Nicknamed Moochie. Nicknamed Moochie

I nicknamed everythang, nicknamed Moochie(Yo, Check me out)[Verse 2: Boldy James]Me, I'm a Concreature,  
i call guns Heaters

AK is the Chopper, i call my nine "Nina"

And my Glock, E-40 and the Click

Errol Flynn'in in the spot, like Detroit, we in this bitch

What up tho? Going hand to hand is hustlin'

And of course, a Grand is a Band of Brothers

I call acting brand new 'Frontin', bitch please

Really, all i need is pussy, weed, liquor, brand new money

And my Revolver. Call it my Mag

If a bitch still walkin', i call her a Stray

When i got the bird in, they callin 'em slabs

When i got the work in, I call it the bag?

Shit niggas stole from me, they callin' it 'Swag'

That's a different kinda person, we call 'em a fag

I Fucked my Money Up, spent all of my cash

At the bar still splurging, they call it a Tab[Hook]
