Just a Little While

The Damn Quails

Whoa, whoa, whoa, whoa, whoa, whoa
Comin' back to you, babe
Whoa, whoa, whoa, whoa, whoa, whoa, whoa, ohI have to go away, my flight's not far away
You're thinkin' of astray but it's just your mind, hey
My heart is in your hand waiting for your command
That's enough of assurance to believe I'm true, so baby, hold onJust a little while, just a little while longer
Just a little while, I'm comin' back to you
In a little while, for a little while longer
In a little while, I'm comin' backA thousand waste of tears, our love's been strong for years
Your cry is not in vain 'cause I understand
I'm tryin' to be the man you loved when we began
Your cry is not alone, I'm cryin' too, you gotta hold onJust a little while, just a little while longer
Just a little while, I'm comin' back to you
In a little while, for a little while longer
In a little while, I'm comin' backIf only you knew my love, you wouldn't feel this way
Baby, don't be afraid 'cause I'm comin' back
Do you hear my plea, forever stay with me
In my arms you're gonna be in just
I'm comin' homeJust a little while, just a little while longer
Just a little while, I'm comin' back to you
In a little while, for a little while longer
In a little while, I'm comin' backThere's gonna be a better day
There's gonna be a brighter day
There's gonna be a better day
There's gonna be a brighter dayGonna be a better day
Gonna be a brighter day
Gonna be a better day
Gonna be a brighter day
