

# Sweet Little Jesus Boy

[Kenny Rogers](#)

Sweet little Jesus Boy  
They made You be born in a manger  
Sweet little Holy Child  
They didn't know who You were Didn't know You'd come to save us  
Lord, to take our sins away  
Our eyes were blind  
And we could not see  
We didn't know who You were A long time ago  
You were born in a manger, Lord  
Sweet little Jesus Boy  
Now the world treated You mean, Lord And it's been treatin' me mean too  
But that's how things are done now  
We didn't know it was You You done told us how  
And we are a-tryin'  
Master, You done showed us how  
Even when You were dyin' It just seems like we can't do right  
Look how we treated You  
Please, please, forgive us, Lord  
We didn't know it was You Sweet little Jesus Boy  
Born a long time ago  
Sweet little Holy Child  
We didn't know who You were
