Someone Makes No Sound

Puggy

Someone makes no sound
Leaving like you did
A life turned upside down
Reveals not why you did
Something can't be found
If you don't know what it is
All hope lives in time
And time you could not give
Well, is something you can't talk about
But it's something that you did
No reasons to be talked about
No lies you had to give
Someone you can't think about
Someone who you miss
Someone who's not heard about you
Or all those things you did
Someone who you miss
Someone who you miss
Someone who you miss
