

# LUST.

## Kendrick Lamar

I need some water  
Somethin' came over me  
Way too high to simmer down  
Might as well overheat  
Too close to comfort  
As blood rush my favorite vein  
Heart beat racin' like a junkie's  
I just need you to want me  
Am I askin' too much?  
Let me put the head in  
Ooh, I don't want more than that  
Girl, I respect the cat  
I promise just a touch  
Let me put the head in  
"It's okay," she said, "It's okay"  
Yeah, I need everybody's motherfuckin' hands up right now  
I need everybody's motherfuckin'  
Door and his Nike Air Rattles  
Rush the fire exit, no time for battles  
Well I, I never expected  
This that new, new shit  
Wake up in the mornin' thinkin' 'bout money, kick your feet up  
Watch you a comedy, take a shit, then roll some weed up  
Go hit you a lick, go fuck on a bitch  
Don't go to work today, cop you a fit  
Or maybe some kicks and make you  
Door in his Nike Air Rattles  
Rush the fire exit, no time for battles  
Well I, I never expected  
Wake up in the mornin' thinkin' 'bout money, kick your feet up  
Watch you a comedy-  
Hol' up  
Wake up in the mornin' thinkin' 'bout money, kick your feet up  
Watch you a comedy, take a shit, then roll some weed up  
Go hit you a lick, go fuck on a bitch, don't go to work today  
Cop you a fit or maybe some kicks and make it work today  
Hang with your homies, stunt on your baby mama  
Sip some lean, go get a pistol, shoot out the window  
Bet your favorite team, play you some Madden  
Go to the club, or your mama house  
Whatever you doin' just make it count

I need some water

Wake up in the mornin' thinkin' 'bout money, kick your feet up  
Hop in the shower, put on your makeup, lace your weave up  
Touchin' yourself, call up your nigga, tell him he ain't shit  
Credit card scam, get you a Visa, make him pay your rent  
Hop on the 'gram, flex on the bitches that be hatin' on you  
Pop you a pill, call up your bitches, have 'em waitin' on you  
Go to the club, have you some fun, make that ass bounce  
It's whatever, just make it count I need some water

Somethin' came over me

Way too high to simmer down

Might as well overheat

Too close to comfort

As blood rush my favorite vein

Heart beat racin' like a junkie's

I just need you to want me

Am I askin' too much?

Let me put the head in

Ooh, I don't want more than that

Girl, I respect the cat

I promise just a touch

Let me put the head in

"It's okay," she said, "It's okay" I wake in the mornin', my head spinnin' from the last night

Both in the trance, feelings I did, what a fast life

Manager called, the lobby called, it's 11:30

Did this before, promised myself I'd be a hour early

Room full of clothes, bag full of money, call it loose change

Fumbled my jewelry, 100k, I lost a new chain

Hop on the bird, hit the next city for another M

Take me a nap and do it again

We all woke up, tryna tune to the daily news

Lookin' for confirmation, hopin' election wasn't true

All of us worried, all of us buried, and the feeling's deep

None of us married to his proposal, make us feel cheap

Still and sad, distraught and mad, tell the neighbor 'bout it

Bet they agree, parade the streets with your voice proudly

Time passin', things change

Revertin' back to our daily programs

Stuck in our ways, lust Lately, I feel like I been lusting over the fame

Lately, we lust on the same routine of shame

Lately, lately, lately my lust been hiding (Lately)

Lately, it's all contradiction

Lately I'm not here

Lately, I lust over self

Lust turn into fear

Lately, in James 4:4 says  
Friend of the world is enemy of the Lord  
Brace yourself, lust is all yours I need some water  
Somethin' came over me  
Way too high to simmer down  
Might as well overheat  
Too close to comfort  
As blood rush my favorite vein  
Heart beat racin' like a junkie's  
I just need you to want me  
Am I askin' too much?  
Let me put the head in  
Ooh, I don't want more than that  
Girl, I respect the cat  
I promise just a touch  
Let me put the head in  
"It's okay," she said, "It's okay"
