Joy Factory (feat. Autolux)

UNKLE

So much you can't get home
Somehow you lost the wind
Come up come up for air
In your mind you have feet tenYou're sure you're sure your soul
Goes up and in and down
The only dream you own
Wears you outNo ordinary joy
You'll always miss your mark
All the way
So in the factory
I knew you messed it up
With meAnd now you're missing more
And now you're missing more
And now you're missing homeUncross your eyes and breath
You'll be missing in your skin
Forget where you come from
Imagination always winsIt's locked in the froze
The day passing blue
Too much for everyone
Just try for youIt's no ordinary joy
You'll always miss your mark
All the way
So in the factory
I knew you messed it up
For me
