

Midnight blues

Crocodiles Blues

It's the darkest hour
Of the darkest night
It's a million miles
From the mornin' light Can't get no sleep
Don't know what to do
I've got those midnight blues When the shadows fall
I feel the night closin' in
There must be some reason
For this mood I'm gettin' in Can't get no sleep
Don't know what to do
I've got those midnight blues Every evenin' after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away Every evenin' after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away It's the darkest hour
Of the darkest night
It's a million miles
To the mornin' light Can't get no sleep
Don't know what to do
I've got those midnight blues
