Are You Normal Enough?

Snog

Normal people suffocate you till your last breath
They clutter footpaths, clutter highways with their living deathAre you normal enough?
Are you normal enough?Normal people stare at you wherever you may go
Normal people despise difference to the normal people showAre you normal enough?
Are you normal enough?Normal people stay inside, stay in the normal zone
You shed a tear at the zoo, but you chew flesh and boneAre you normal enough?
To take the shit that they dish out?
Are you normal enough?
To breath it in, breath it out?Proud to be a consumer, proud to be a drone
Proud to believe 'Sixty Minutes' from the safety of your home
Proud to swallow every lie, proud to give a cheer
As you witness another murder from the enemy of the yearAre you normal enough?
To be just the same?
Are you normal enough?
To be in the normal game?
Are you normal enough?
