Fu Manchu

Frank Black

You heard about
A criminal man of virtue
Is there any doubt
His minimal strands would suit you?Is a hard earned way
Is a hard earned wayI'll never lose
My Fu Manchu
My Fu ManchuLet them grow out
In time you'll feel so better
The vanishing pout
Now you're a real go-getterIs a hard earned way
Is a hard earned wayI'll never lose
My Fu Manchu
My Fu ManchuIs a hard earned way
Is a hard earned way
Occidentally tic-tac
Occidentally tic-tac
