Hooverphonic

Sin is so much more than poetry
Better start to pray
Crime is sensual
Softly breathing down your neck
Flooded chemistry A tempting sign
Is showing us
A glimpse of alchemy
The curtain drops
Whenever we do try
To react as if we're one Poisoned arrow softly piercing my heart
With poetry
Watching the sunrise
My eyes closing fast
Swallowed by the sea A tempting sign
Is showing us
A glimpse of alchemy
The curtain drops
Whenever we do try
To react as if we're one One music doll stops rotating, breaking
Her song lingers on
Translating A tempting sign
Is showing us
A glimpse of alchemy
The curtain drops
Whenever we do try
To react as if we're one
