L.A.D.Y.

Scanner

Went to a gay club
Sent by a friend of mine
He knew a little lady
Waitin' for me insideI said, "don't be kiddin'!"
I don't want to change my style
Could not believe my eyes when
I saw who I have found(Lady) tell me what to do
What can I do
(Lady) I need a doctor
(Lady) I need a doctor
To help me to cure
My longin' for you(See you later)
That's what she said to me
I could not believe that she gave me her key
(See you later)
The only fact I know
I can't let her, can't let you go
(See you later)Like a cat in a lonesome alley
Like a wolf in a midnight town
I've been struck down by confusion
Straight into my heart(Lady) tell me what to do
What can I do
(Lady) I need a doctor
(Lady) I need a doctor
To help me to cure
My longin' for you(See you later)
That's what she said to me
I could not believe that she gave me her key(See you later)
The only fact I know
I can't let her, can't let you go
(See you later)I can't let you goOh oh (lady) tell me what to do
What can I do
(Lady) I need a doctor
(Lady) I need a doctor
To help me to cure
My longin' for you(See you later)
That's what she said to me
I could not believe that she gave me her key
(See you later)

The only fact I know
I can't let her, can't let you go
(See you later)That's what she said to me
I can't believe
(See you later)
I need a doctor
(See you later)
I can't, I can't, I can't believe you
Ooh baby (see you later)
I can't let you go
