

Married Man

Neil Young

Well, I'm a married man
Respect my happy home
I'm a married man
Respect my happy home
Don't tempt me baby
Stop singin' stop singin'
Your old song. Well, I work all day
Take my money back home
Yeah. I work all day
Take my money back home
I ain't got time to party
Ain't got time for you
No more. Well, I'm a married man
Respect my happy home
I'm a married man
Respect my happy home
Don't tempt me baby
Stop singin' stop singin'
Your old song. Well, I'm a married man.
