

Nothing Like Us

Justin Bieber

Ooo

Oooh

Ooo Oh Oh

Lately I've been thinking, thinking about what we had
And I know it was hard, it was all that we knew, yeah
Have you been drinking, to take all the pain away?

I wish that I could give you what you deserve

Cause nothing can ever, ever replace you

Nothing can make me feel like you do, yeah

You know there's no one, I can relate to

I know we won't find a love that's so true

There's nothing like us

There's nothing like you and me

Together through the storm

There's nothing like us

There's nothing like you and me together, oh

I gave you everything babe

Well, everything I had to give

Girl, why would you push me away? yeah

Lost in confusion, like an illusion

You know I'm used to making your day

But that is the past now, we didn't last now

I guess that this is meant to be yeah

Tell me, was it worth it? We were so perfect

But baby I just want you to see

There's nothing like us

There's nothing like you and me

Together through the storm

There's nothing like us

There's nothing like you and me together

There's nothing like us

There's nothing like you and me together through the storm

There's nothing like us

There's nothing like you and me together
