Sometimes (David Crowder Band)

Passion

Sometimes every one of us feels
Like we'll never be healed
SometimesSometimes every one of us aches
Like we'll never be saved
SometimesWhen you've given up
Let your healing come
Till you're rising up
Let your healing comeIt's your love that we adore
It's like a sea without a shore
We're lost in you, we're lost in you
It's your love that we adore
It's like a sea without a shore
We're lost in you, we're lost in you
SometimesSometimes
It's like we'll never atone
For all the love we've known
Sometimes
Like in a smile or a song
When you feel love come
And that feeling's gone
It fliesWhen we've given up
Let your healing come
When there's nothing left
Let your healing come
Till we're rising up
Let your healing come
Where you go, we will follow
Where you go, we will followIt's your love that we adore
It's like a sea without a shore
We're lost in you, we're lost in you
It's your love that we adore
It's like a sea without a shore
We're lost in your, we're lost in you
It's your love that we adore
It's like a sea without a shore
We're lost in you, we're lost in you
It's your love that we adore
It's like a sea without a shore
Don't be afraid

Don't be afraid
Just set your sailAnd risk the ocean, there's only grace
Let's risk the ocean, there's only grace
Let's risk the ocean, there's only grace
Let's risk the ocean, there's only graceIt's your love that we adore
It's like a sea without a shore
We're lost in you, we're lost in you
It's your love that we adore
It's like a sea without a shore
We're lost in you, we're lost in youWhere you go we will follow
I'm on my knees
Where you go we will follow
Oh, God send meWhere you go we will follow
I'm on my knees
Where you go we will followSometimes
