# Stop Crying Your Heart Out

## Leona Lewis

Hold up
Hold on
Don't be scared
You'll never change what's been and gone
May your smile
Shine on
Don't be scared
Your destiny may keep you warm'Cause all of the stars
Have faded away
Just try not to worry
You'll see them someday
Take what you need
And be on your way and
Stop crying your heart out
Get up (get up)
Come on (come on)
Why you scared (i'm not scared)
You'll never change what's been and gone'Cause all of the stars
Have faded away
Just try not to worry
You'll see them someday
Take what you need
And be on your way and
Stop crying your heart out'Cause all of the stars
Have faded away
Just try not to worry
You'll see them someday
Just take what you need
And be on your way and
Stop crying your heart out
We're all of they stars
We're fading away
Just try not to worry
You'll see us someday
Just take what you need
And be on your way and
Stop crying your heart out
Stop crying your heart out
Stop crying your heart out

Stop crying your heart out
