Molly

Thingy

Molly Molly Molly Molly Molly Molly Molly Molly
Molly Molly Molly Molly Molly Molly Molly Molly

She gonna lie down
She gonna spread out
She's one of the few things
That makes me happy

Molly Molly Molly Molly Molly Molly Molly Molly
Molly Molly Molly Molly Molly Molly Molly Molly

She gonna lie down
She gonna spread out
She's one of the few things
That makes me happy

With her yellow-red eyes
That stare stare right at me
With her yellow-red eyes
That stare stare right at me

Molly Molly Molly Molly Molly Molly Molly Molly
Molly Molly Molly Molly Molly Molly Molly Molly

She gonna lie down
She gonna spread out
She's one of the few things
That makes me happy
