Faithful

Raphael Saadiq

I won't cheat on you
I won't do it no more
Like I did before
I can't do it no more
I'm faithful to my baby
To cheat on you would be crazy
I can't cheat on you
I can't do it no more
I've been a cheater
Ever since I was twelve years old
Baby, baby, yeah, baby, but when I first laid eyes on you
I knew it was over for the other cuties, oh, lady
I could see big girls from Amsterdam, but I'll never take the chance
'Cause I really love your, your style
There could be fine naked girls in the room
But I'm comin' home to you, 'cause you know I love you
Girl, I love your big eyes, I'm faithful to my baby
You're my one special prize
To cheat on you would be crazy
I won't cheat on you, I can't do it no more
To get respect, I know I have to show respect
That's why I'm by your side, goin' nowhere
Now that I'm with you, every girl wants a piece of my mind and soul
Can't have it
You know you really opened my eyes, even my father was surprised
How faithful I am to you
I tell them all to get away, 'cause I love you more each day
And my life is yours, girl you are my whole life
Saadiq, what's up, Playboy
You know what's up Skinny man
What's up with that, I can't be like you no more
What's wrong with me, man
You got 'em all, you got this one, you got that one
You got four or five of 'em, you know I love them rigs
They ain't seein' me, huh, I gotta let all that go
'Cause you just can't have 'em all, you know what I'm sayin'
I heard ya, I hear ya
'Cause I really love my baby, baby, woo-wee, baby
I'm faithful to my baby, I won't cheat on you

And to cheat on you would be so crazy, baby
To cheat on you would be crazy
Nobody could ever change my mind, lady, lady, I'll be crazy
I'm faithful to my baby, I won't cheat on you
And I'm comin' home every night, baby, baby
To cheat on you would be crazy, they could call me crazy
'Cause I love you, lady, I love you, lady, woo, baby
I won't cheat on you
I won't do it no more
Like I did before
I can't do it no more
I won't cheat on you
I won't do it no more
Like I did before
I can't do it no more
I won't cheat on you
I won't do it no more
Like I did before
I can't do it no more
