

# I Am The Way

Mark Schultz

You've got a secret no one knows  
Locked away where no one goes  
Deep inside your heart,  
It's tearin' you apart.  
You hide the pain in all you do,  
Still the shackles binding you are heavier than stone,  
But you are not alone. When you're down  
Look around  
And you'll see I am with you.  
Look to Me and you'll see I will be there to guide you.  
Take My hand and I can lead you on for you know: I am the answer,  
And I am the way.  
I am the promise,  
And I have called your name. So you want a brand new start  
Askin' Me into your heart,  
Down on bended knee  
For the world to see.  
And the chains around your heart  
Fall away and break apart  
Suddenly you see  
The truth has set you free. When you're down  
Look around  
And you'll see I am with you  
Look to Me and you'll see I will be there to guide you  
Take My hand and I can lead you on for you know: I am the answer,  
And I am the way.  
I am the promise, and  
I have called your name. Surrounded by darkness  
You stumbled along  
Knowing the road that you traveled was long  
But I'm here beside you,  
Yes here all along,  
The one that will carry you on. When you're down  
Look around  
And you'll see I am with you.  
Look to Me and you'll see I will be there to guide you.  
Take My hand and I can lead you on for you know. I am the answer,  
And I am the way,  
I am the promise and

I have called. Oh when you are down  
You think no one's around,  
But I'll be with you both night and day.  
I know the good times,  
I'll see you through bad times,  
Oh you know that I'm here to stay. I am the answer,  
And I am the way  
I am the promise,  
And I have called your name.
