Spleen (Live In Houston) [Bonus Track]

Staind

Can't breathe!
Shut up
Shut up
I feel I give everything to you
Can't breathe!
Shut up
Shut up
I think there's nothing left to do
Can't breathe!
Shut up
Shut up
I don't like today take it all away
Just like what you say I don't want you
Kinda like the way everything is gray
Just like what you say I don't need you
I don't look like you do the things you do
But I'm fucked up too I don't need you
Can't breathe!
Shut up
Shut up
I feel you are what's changed my soul
Can't breathe!
Shut up
Shut up
I think I'll never lose control
Can't breathe!
Shut up
Shut up
I don't like today, take it all away
Just like what you say I don't want you
Kinda like the way, everything is gray
Just like what you say I don't need you
I don't look like you, do the things you do
But I'm fucked up too I don't need you
I don't understand it
You're killing this planet
The scabs on your face
It's a fucking disgrace
I blame you

I blame you
I blame you
I blame you
I blame you
I blame you
I blame you
Can't breathe!
Shut up
Shut up
I'm don't like today, take it all away (shut up)
Just like what you say - I don't want you (shut up)
Kinda like the way, everything is gray (shut up)
Just like what you say I don't need you (shut up)
I don't look like you, do the things you do (shut up)
But I'm fucked up too - I don't need you (shut up)
