

# Gateway to Extinction

## Kataklysm

You've never seen a war like this before  
Entering a phase you've never explored  
They can taste the blood flowing through your veins  
Embracing the insane Vanishing among the dead  
The gateway for extinction  
Vanishing among the dead  
The gateway for extinction You'll never see what they see  
Paradise is only a dream for the weak  
Maybe you'll see what they see  
When you die for your dreams Lost in a trance in the never-world  
You've created for your own  
And no one else will forgive  
This never-ending plague Fade away  
Fade away  
Fade away  
Fade away  
Fade away  
Fade away Vanishing among the dead  
The gateway for extinction  
Vanishing among the dead  
The gateway for extinction Fade away  
Fade away  
Fade away  
Fade away  
Fade away  
Fade away You'll never see what they see  
Paradise is only a dream for the weak  
Maybe you'll see what they see  
When you die for your dreams Lost in a trance in the never-world  
You've created for your own  
And no one else will forgive  
This never-ending plague Vanishing among the dead  
The gateway for extinction  
Vanishing among the dead  
The gateway for extinction
