

# California (The O.C. theme)

## Phantom Planet

We've been on the run  
Driving in the sun  
Looking out for number one  
California here we come  
Right back where we started from Hustlers grab your guns  
Your shadow weighs a ton  
Driving down the 101  
California here we come  
Right back where we started from California!  
Here we come! On the stereo  
Listen as we go  
Nothing's gonna stop me now  
California here we come  
Right back where we started from  
Pedal to the floor  
Thinkin' of the roar  
Gotta get us to the show  
California here we come  
Right back where we started from
